

1) My wife & I listen to K-LOVE where ever we go and can get it, their broadcast is a positive note in such a negative world. We travel often to Austin, San Antonio, Dallas, Fort Worth, El Paso and all the way to Arizona and enjoy the ride with K-Love where ever we are.

2) The effect on our local community if K_LOVE were to be displaced by an LPFM broadcaster providing other programming would be like our nation without our flag! It is the only station we listen to and if it is discontinued we will not listen to the radio any longer.

3) K-LOVE reports news and keeps its listeners up to date on facts without bias. The only source of Christian contemporary music available to this area is K-LOVE so please do not displace it by an LPFM, we are not a big city and do not get other stations 50 miles away (Austin) and this would also hurt our.

4) Maybe you should listen sometime and see for yourself that it is good for all people.
